### Terms and Conditions

**General Eligibility:** This offer provides rebates for the purchase of new, installed qualifying products and/or services, and is not dependent on the purchase of any other product or service unless indicated. Offer valid for NIPSCO natural gas or NIPSCO Choice residential customers only. The rebates on this form are available to residential homes or rental buildings. One form must be completed for each address in which appliance(s)/product(s) is installed. NIPSCO rebate cannot exceed the cost of the equipment or service.

**Verification:** NIPSCO reserves the right to verify sales receipts and/or installations of products and services before issuing rebates. A random inspection may be conducted to verify installations. By submitting this form, applicant agrees to participate in any audit requested by NIPSCO as it pertains to the rebate program.

**Program Modifications:** NIPSCO reserves the right to alter or discontinue these rebate offers at any time without notice. Rebate funds are limited and are available on a first-come, first-served basis.

**Disclaimer:** NIPSCO does not guarantee that energy efficiency measures purchased and installed or services provided through this program will result in energy and costs savings. NIPSCO reserves the right to deny or limit any rebate request. In addition, no warranties on appliances or on product or service installations are provided by NIPSCO, nor does the program warranty, guarantee or endorse the energy efficiency services provided by any specific contractor participating in the program. Please allow up to eight (8) weeks to receive your rebate.

**Eligibility Dates:** This rebate form is only eligible for qualified installations performed on or after January 1, 2008. All forms must be postmarked within 30 days of installation to be considered eligible for rebates. NIPSCO reserves the right to alter or discontinue this program or related rebates at any time without notice.

**Contractor Instructions:** Verify that customer's natural gas utility at the installation address is NIPSCO.

**High Efficiency Natural Gas Furnace and/or Water Heater:** Installers are required to implement the following measures to qualify furnace and/or water heater installations for rebates:

- Chimney liners must be installed where atmospherically-drafted equipment remains in the residence.
- Installers must complete flue closure protocol where a high efficiency furnace and/or water heater is installed and the chimney has no other use; where the water heater is power vented through the sidewall or is fueled by electricity (refer to flue closure protocol);
- The furnace must be a sealed combustion unit with combustion air supply provided from outside the home to reduce whole-house air infiltration.

This form has no cash value.
