

R-410A Certification

September 2010

\$85 per student

which covers training materials, class, test & certificate

Rogers Supply Company offers R-410A certification classes and testing two times a year, Spring and Fall. The class is 2 1/2 hours and testing follows. Rogers Supply Company brings in certified proctors to each branch location for your convenience. If you are unable to attend your local class, other branch locations are available. Class sizes 4 and smaller will be combined with the next class date and enrollees will be contacted of the change.

Agenda:

- Refrigeration Cycle Basics
- R-410A Safety & Handling Type
