

TurboTorch[®] Display Plan-O-Gram for Plumbing & HVAC Products

Recommended TurboTorch Plumbing & HVAC Products & Placement

Includes Displays in 4 ft & 8 ft Lengths

Easy to Read Product Placement Diagrams

Available for both Pegboard & Slatwall Displays

Easily step up your TurboTorch Plumbing and HVAC products with the new Display Plan-O-Gram which includes recommended products and product placement on your existing structures, whether pegboard or slatwall. Additionally, TurboTorch offers optional overlay displays with attractive signage, as well as other point-of-sale material, to enhance the look of the storefront. Ask your TurboTorch representative for more information.

4' Plumbing Display

8' Plumbing Display

4' HVAC Display

8' HVAC Display

Optional Overlay Displays Available

Pegboard Overlay (66-2814)

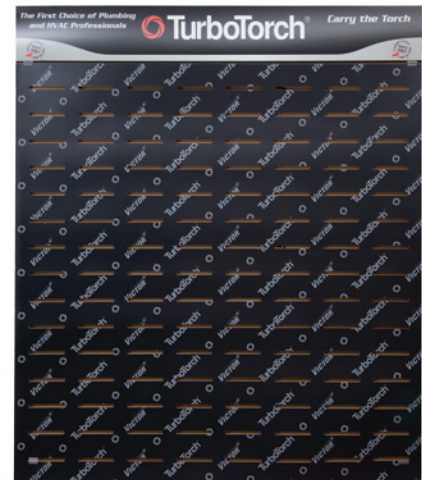

Features attractive, durable black pegboard with TurboTorch brand logos. Measures 48" square.

Slatwall Overlay (66-1401)

Features a durable, sleek black overlay with TurboTorch and Victor® brand logos. Measures 48" square.
