

## T6 Pro Z-Wave Thermostat

Enjoy superior comfort control with smart energy savings

# T6 Pro Z-Wave Thermostat

Simple control meets smart savings

Transform your home with the large, sleek touchscreen display of the T6 Pro Z-Wave Thermostat. No more forgetting to change the temperature after you leave. The T6 Pro Z-Wave Thermostat provides either time-based scheduling or automatic occupancy scheduling through your Z-Wave security panel. You can also view indoor temperature or make setpoint changes using an app integration with the Z-Wave Gateway, Panel, or Controller. Now you may save on energy costs whether you're home or away.

## User Friendly Comfort

- Large, modern and intuitive touchscreen display
- Energy saving capabilities with scheduling, plus remote-control temperature settings
- Extended wireless range with Z-Wave Plus and fast communication speeds for smooth operation
- 7-day, 5-1-1 or 5-2 day programmable, non-programmable, or occupancy controlled with Z-Wave panel/app integration
